Pack 89 News

Scouting for Food

A big THANK YOU for all of the boys, siblings, and parents that showed up to help with the Scouting for Food event on Saturday, November 5th and Saturday, November 12th.

It was a great event! We collected boxes and boxes of non-perishable food for Platteville's food pantry. On the 12th, the boys helped sort the food into boxes for about 2

hours. The cub scouts that participated will receive a patch, as well as have a good turn that will count towards the Honor Scout award that is presented at the Blue & Gold banquet in February. Thanks to the parents that helped as well, we really appreciate it!

Pack 89 Meeting Schedule
